

**Southern California Association of Governments
Supplemental Questionnaire for the position of
SENIOR WEB APPLICATION DEVELOPER #234
(Senior Programmer Analyst)**

Final Filing Date: Open Until Filled (First Review of Applications 9/30/04)

INSTRUCTIONS TO APPLICANTS: This questionnaire is a part of the selection procedure and will help us in evaluating your education and experience as they relate to the job. Only those applicants who have the most appropriate qualifications will be invited to participate further in the selection procedure. The following questions must be addressed and submitted with your application and resume in order to be considered for the position. You may attach up to four additional sheets if necessary. Materials that you submit will not be returned.

EDUCATION AND TRAINING:

Please list all training, certifications and coursework you have completed which relate to this position.

Course/Certificate/Degree	School/Agency	Date Completed

EXPERIENCE:

Describe your experience in the following areas. For each experience area, please include your job title, the name of the agency you worked for, your specific role and duties performed, and the number of years you performed the job. (add additional pages if necessary)

Experience Area	Job Title/Agency	Your Specific Role/Duties	# years
1. Developing and maintaining web site applications and web site content.			
2. Computer programming experience with ASP/Net, XML and other languages and SQL writing.			
3. Developing and maintaining working relationships with internal staff and outside agencies.			
4. Project management duties including maintenance of schedules, timetables and projects.			

CERTIFICATION

I certify that the information presented in this application is true to the best of my knowledge. I understand that any false information may affect my getting or keeping this position.
